

## Ohio Revised Code

### Section 749.01 Legislative authority may levy tax to compensate free public hospital.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

---

The legislative authority of each municipal corporation, annually, may levy and collect a tax not to exceed one mill on each dollar of the taxable property of the municipal corporation and pay the amount to a private corporation or association which maintains and furnishes a free public hospital for the benefit of the inhabitants of the municipal corporation, or not free except to such inhabitants as, in the opinion of a majority of the trustees of such hospital, are unable to pay. Such payment shall be compensation for the use and maintenance of such hospital. Without change or interference in the organization of such corporation or association, the legislative authority shall require the treasurer of such hospital, annually, to make a financial report setting forth all of the money and property which has come into its hands during the preceding year and the disposition thereof, together with any recommendations as to the future necessities of such hospital.
